Leicester
June 10/74.

Dear Frank G.

Yrs. of yest. is to hand this morng. I hope your father will send me (if he has not) the Circulars concerning Nell's family. My gift to Mrs. N. was intended toward the immediate charges of sickness & funeral, & was not large ($10.) — I should wish to do something more in a subsn. for his family, who are left, I suppose, without one dollar from him. — So I hope to see the paper. I am very glad their little purse is to be made up for them.

— I am very glad that the Dr. Cogswell Memoir is ready. I subs. for 2 copies as you say — one bound in the usual way, the other in sheets; I hope Mr. Hillard was careful to say that, which I was very particular to say to him. The 2d. copy is for other parties. — Please

have them well-enveloped & sent to following address — [I put "Rev." on, simply because I have a ~~nephew~~ nephew, S. M. Jr. (my dear name), with whom I am sometimes confounded.]

" Rev. S. May.
Care, May & Co., 16 Oliver St.
Boston.
To remain until called for. "

Then I shall have the books in Boston, where I want them. You may, if you please, send the bill for the 2 to me here, by mail.

— I do not forget my purpose to put up a parcel of papers for you, & intend to leave them at W. L. G. pr office, unless I hear of a place you would prefer. Truly Yrs
Sam. May.
